DIRECTIONS: With your partner or small group, discuss each of your answer choices from this test. Record what you originally put under the **"Day 1"** column. After your discussion and *if* you decide to change your answer, write your new answer under **"Day 2"** and give a **strong reason why** you changed this answer in order for it to be counted.

#	Day 1	Day 2	Explain why you decided to change this answer.	Provide text evidence to support this change.
